

It is often said that our lives can change in an instant; for the Young family that instant happened in April of 2017. Up until that day, Jonathon Young was your typical eighteen year old boy. He loved to be outdoors, hunting, fishing, hanging with his friends, and spending time with his family.

Jonathan had recently graduated from Francis Scott Key high school and had begun taking business courses at Carroll Community College.

*A life forever changed...*

Jonathan suffered a traumatic brain injury while riding his ATV in April of 2017. Jonathan spent 2 months at the University of Maryland, 10 weeks at Hershey Rehab Hospital, 2 months at Frederick Memorial, and he is currently at Transitions in Sykesville. He is going to need long-term medical care.
